

Through the generous donations of St. Andrew's parishioners, the Ministry for Tomorrow Campaign has been able to raise over half of the funding needed for our building improvements and property acquisition.

As construction begins, we would like to present you with this unique opportunity to have your name "written in stone", by purchasing an engraved brick. As part of our permanent construction, these bricks will be a lasting way to commemorate a special event in someone's life, honor a friend or family member or to memorialize someone special. Your name, quote or well wishes will be displayed for years to come.

We hope you will join us by being a part of St. Andrew's tomorrow...

Buy a Brick TODAY!

Bricks will sell for \$200. Each one has space for 3 lines, at 18 characters or spaces per line. Please complete the form below and return with your check, payable to "St. Andrew's MFT", to the church office, with attention: Kim Black. An order will be placed whenever we reach 10 requests.

Please print your preferred inscription on the 3 lines below:
