For Free Day (water) Activity:

- Extra bathing suit
- Extra towel
- Swim shorts/shirt
- Water shoes

PACKING TIPS

- Label your tools with your name and/or "St. Andrew's"
- All of your stuff should be separated into four groups:
 - 1) tools
 - 2) suitcase
 - 3) air mattress/cot
 - 4) overnight bag/backpack

When we stop at our host church on Saturday, you will only have access to your overnight bag and bedding. Your tools and suitcase will stay in the U-Haul until we unload everything at the host school on Sunday.

- Cell phones are allowed, but you are responsible for them. Also, you really shouldn't use it at the worksite unless it's for research, photos, music, or to make a call.
- There is most likely a Walmart nearby. Don't fret if you forget something.
