

# HYPOTHERMIA PREVENTION RESPONSE PROGRAM

## WISH LIST OF NEEDED ITEMS

This winter, St. Andrew's will offer food and shelter to approximately 30–40 individuals in need, from Sunday evening **February 3, 2019** through Sunday morning **February 10, 2019**. In addition to a warm place to sleep, we provide snacks, dinner, breakfast, and a bag lunch.

Volunteers and donations are crucial for a successful outcome. Go to our Sign-up Genius page at [tiny.cc/dze01y](http://tiny.cc/dze01y) to volunteer.

In addition to our volunteer needs, we have a list of items that will help defray the cost of the program. **Any donation is greatly appreciated and can be taken to the Conference Room or the brick ledge across from the Office from now until February 6th.** Please mark all donations “Hypothermia Program.”
