## WORSHIP COMMISSION

A public service for the worship of God is called different things among various churches: it might be called the Mass, a contemporary or praise service, or simply worship. The usual worship service in the Episcopal Church—the Eucharist—is often referred to as “the liturgy.” This Greek word, used for centuries, means “the work of the people,” and means that we all take part in the worship of God, each of us saying our prayers, singing, making our confession, to receiving communion. While clergy are trained and ordained to lead worship, it really does take all of us to make this time the worship of God. There are many folks who work with the clergy to make possible this shared worship.

## February 3-10, 2019 – Hypothermia Prevention Week

Steve Koss & Elaine Runkel | [hypothermia@standrews.net](mailto:hypothermia@standrews.net)

St. Andrew's will host our annual homeless/hypothermia program from February 3rd-10th, 2019. During this week, we will welcome approximately 35-40 guests each night and provide them with food, fellowship, and shelter. This requires a huge number of volunteers and can only be done as a parish-wide effort. There are approximately 250 volunteer slots (found here: [tiny.cc/dze01y](http://tiny.cc/dze01y)) that will need to be filled in order to make this happen.

In addition to our volunteer needs, we have compiled a list of items that will help defray the cost of the program. Any donation is greatly appreciated and can be taken to the brick ledge across from the Office or to the Conference Room. Please mark all donations "Hypothermia Program." We are ready to receive donations NOW through the beginning of Hypothermia week, but prefer to receive them in late January.

**Food Items:** Chewy granola bars; Breakfast bars; Individual Raisin packs; Individual trail mix packs; Individual packs of chips, popcorn, pretzel, & cookies; Peanut butter or cheese cracker packs; Applesauce cups; Pudding cups; Fruit cups; Individual chocolate milk drink boxes; Bottled water (16 oz.); Individual V-8 cans.
