The Monthly Newsletter of  
St. Andrew's Episcopal Church  
Burke, Virginia

PRIEST-IN-CHARGE  
THE REV. WILL PACKARD  
[will@standrews.net](mailto:will@standrews.net)

Dear Friends in Christ,

November begins with our celebration of the Feast of All Saints' and we will hold an outdoor baptism! That is the way to begin a month! We also begin the month with our parish ingathering and, as indicated, you may drop your pledge off by the church, mail it in, or, the easiest option, [pledge online](#).

While we have been unable to use our buildings as we have, the mission of the church is as important as ever. We continue to carry out the mission and seek to understand it through our worship, service, formation, and fellowship in new ways. We also see more clearly the importance of our gathering places, staff, and ministries. I am grateful for the many years of faithful stewardship to provide a strong rock on which we may carry out our mission and ask you this year for your continued support in time, talent, and treasure.

This mission is guided by our Baptismal Covenant which we know well and I ask you to pay particular attention to them this month. They are part of our identity, our being, and point to whom we belong. When the anxieties of this world seem overwhelming, I turn, and I ask you to turn to our Baptismal Covenant. In it, we remember the promises of discipleship we have made and we remember the promises God has made through Jesus. We also remember, that whenever we read them, we are recalling that we make them as part of our community, One Together. While we may be physically separated, we are not alone, for we are all one in Christ.

It is a usual practice, along with renewing our Baptismal Covenant, to sing hymns of the saints. "For the saints of God are just folk like me/and I mean to be one too!" These are the words from Lesbia Scott in the hymn, *I Sing a Song of the Saints of God*. Each of the saints we remember are shining examples of how to follow Christ and we recall this Sunday, November 1st, that they were and are people like us, and, they were part of the larger church community. We remember those saints who have come, who are here with us, and who will come. We also acknowledge that we are made in the image of God and called to walk One Together, as the saints of God in the Church. Quite the task it may seem! Remember, it begins with a prayer, a moment, an act of faith, a pledge, a "yes," and the statement, "I will, with God's help."

This month is full of events from the immediate celebrations of All Saints', to the election, to Thanksgiving. May we walk this month, One Together, in Thanksgiving for our community and the many gifts we have been given by God through Christ.

Faithfully yours,

PRESCHOOL DIRECTOR

**TAMI PHILLIPS**

[preschool@standrews.net](mailto:preschool@standrews.net) | (703) 455-8458

Happy fall! We have been blessed with beautiful weather days where the children can get out multiple times a day to enjoy the fresh air. Just as the leaves are changing our students are beginning to change as well.

When you think about how a classroom of children grow into a community of learners it is astonishing. At the beginning of the year children are unfamiliar with each other, not sure of routines, and wonder why they need to leave their house to come to us. Familiarity and trust lay the groundwork for a powerful learning community. Plentiful unstructured and structured playtimes create a place where children take chances, make mistakes, discover new things, build relationships, develop their voice, and ask thoughtful questions. This transformation is beginning to happen in our St. Andrew's classrooms. It is a beautiful reminder of why play is so important to early learners.

We have some changes in our program starting in November. Each class will visit the Discovery Room for one week a month. The other three weeks of the month the Discovery Room will come to them. We will follow the same cleaning guidelines as the classrooms by limiting sharing, cleaning in between rotations, and disinfecting everything each afternoon. I'm sure our students will love being in the Discovery Room. I know my own boys, now 18 and 13, enjoyed time in the Discovery Room.

We are offering a Lunch Bunch in November. One Lunch Bunch for each class. This extends the day to 1:15 pm for a charge of \$10.00. This is an experiment to see how often we can offer Lunch Bunch in the coming months while following the Phase 3 Guidelines.

Our Food for Friends program continues. This month we were able to pack 150 main meal food bags and 75 snack bags with the help of our preschool families, Cub Scout Pack 1346, and the MITRE corporation.

Our children are precious and we continue to feel thankful to have the opportunity to work with them.
