Dear Friends in Christ,

Our Lenten journey continues through March and culminates on March 30th with the Great Vigil of Easter and Easter Day on March 31st. How is your Lent going so far? Did you decide to do anything? Are your commitments more like New Year's Resolutions which have gone astray? Have you deepened your faith in new practices? Our cultural surroundings tend to reside in the "this" or "that," "all" or "nothing." We are either doing our practices or we are not. However, it is always possible to resume or even amend our Lenten journey. How might we deepen our faith and relationship with Jesus this Lent?

I spoke briefly in this last week's sermon about the former Archbishop of Canterbury, Rowan Williams, who writes about the desert mothers and fathers in the Passions of the Soul, about our spiritual journeys. "One of the great messages that all of the spiritual masters and mistresses have to share with us," states Williams, is that "if we are not growing, we're shrinking in the spiritual life. We can't just stand still." How might we separate ourselves from an "all" or "nothing" culture while recognizing that our spiritual journey is in constant motion? Our recognition that our daily and full life encompasses a spiritual journey is, perhaps, our first step. This leads to a life of constant prayer and spiritual motion.

Our individual journeys are highlighted by Williams and I ask us to consider our common lives together as we seek to follow Jesus together. If we apply the same theological reflection, we cannot attain a place of comfort and seek to maintain. Our spiritual formation and deepening relationship with Jesus is a continuous course.

At St. Andrew's, we see some signs of growth in quantitative size and we are adjusting our church structures. We will see our commission leads move from a model wherein each member is in charge of all components of a ministry to liaising and overseeing the larger commission. In addition, we have added two new commissions, including Safety & Security which will help to oversee a committee regarding everything from plant security, to our Safeguarding God's Children training and practices, to looking at various trainings such as CPR for volunteers and staff. You will have noticed that Welcome is now a separate commission. Each person reading this email was once new in the church. With an emphasis on hospitality, the Welcome Commission will guide all of us into the life of the church as ministers of the Gospel.

I speak to the renewal and new organization, not to demonstrate spiritual growth (that is separate but related), but as a backdrop to our continual movement. We will not always grow quantitatively as a church, however, we are always called to grow spiritually. As we seek to adjust our systems and life together, how might we continually seek deepening and adjustments to our spiritual lives, individually and collectively?

As we Embrace the Wilderness this Lent, I encourage us to look at new ways to embrace our spiritual lives. Jennifer Pharr Davis will certainly offer a new and deep perspective on faith. I look forward to our continued journey together as we deepen our relationship with God in Jesus Christ.

Faithfully yours,

Will

Science Night is coming Wednesday, March 6th, from 5:00-7:00 p.m. This is our biggest event of the year where preschool students bring their families to St. Andrew's to show off their science skills! The Parish Hall and Multipurpose Room are filled with hands-on experiments. Our students escort their families through two rooms to experience the hands-on science they do each day with Mrs. Smith in the Discovery Room. We will also host Miss Mollie the Bubble-ologist outside for bubble play! Dr. Amy Adair, our neighbor and pediatric dentist will return with hands-on dental experiments. The Emerson family will be there creating amazing balloon animals. It is always an incredible evening filled with fun!

Read Across America Week is March 4th-6th. We will turn things upside down with a Wacky Wednesday and a Topsy Turvy Thursday. A famous children's literature cat will also take a walk through our Kiss and Ride!

March 18th-22nd, the week before Spring Break, we will celebrate and appreciate our teachers with a week of activities sponsored by our parents and preschool board.

We are piloting a Little Chef's Lunch Club for Thursday Lunch Bunches in March (7th, 14th, 21st) where our students embark on a literacy-based culinary adventure for Thursday Lunch Bunch. Our young chefs will create a simple recipe themed to a story of the week, with an additional focus on fine motor development. Measure, chop, scoop, stir, get messy, and explore new flavors at lunch with friends!

We have been registering returning students and siblings of returning and alumni students, and parish members for the 2024-2025 school year. Registration opened to the community on Tuesday, February 6th. We have registered 46 students so far for 2024-2025. If you know of someone looking for a preschool next year, please ask them to contact our preschool office at 703-455-8458 or email preschool@standrews.net. On our web site preschool.standrews.net, they can view a virtual tour of our program. They can also complete an inquiry to receive more information about enrollment or begin the registration process through our software ChildPilot.

Looking forward to all of the beauty and excitement that spring brings this year!

My oldest son, Christopher, will graduate from Virginia Tech in May and begin his career in Material Science Engineering with ArcelorMittal. This happened all too fast. His love of science all started in the Discovery Room!

Youth Ministry Listening Sessions

The Rev. Will Packard | will@standrews.net

In an effort to strengthen and expand the children's and youth ministry programs, St. Andrew's is partnering with Ministry Architects, a consulting firm that specializes in assisting religious organizations through personalized strategic assessments and action plans.

A working group of church members is supporting Ministry Architects during this multi-step process, starting with gathering opinions from the congregation. Multiple opportunities ("listening sessions") have been created to allow stakeholders (of which you are one!) to provide input toward shaping the future of children's and youth ministry programs at St. Andrew's. In order to accommodate schedules and preferences, the sessions will be held at varying times, and either fully virtual or as a group at the church connecting virtually with our Ministry Architects project manager. Sessions are open to all ages and welcome all points of view. As this has deep ties to the future of St. Andrew's, we encourage all parishioners to participate, regardless of a direct connection to the children's and youth ministries currently.

Once the sessions have concluded, Ministry Architects will analyze the input and create a holistic assessment of St. Andrew's youth programming strengths, weaknesses, and objectives. From this, we will work together to create short- and long-term goals to achieve our vision of having a healthy youth program. In addition, defining these goals will inform the selection process for an additional minister by enabling us to specify the desired candidate skill set, and to communicate expectations of the position.

If you have any questions regarding the listening sessions or the progress in general, please speak with Father Will, Colleen Hanelly, or Erica Dillon.

To sign up for an upcoming listening session, please visit: <http://tiny.cc/u684xz>. Sessions are on March 10th, 17th, and 18th.

In 2011, Jennifer set the overall (male or female) speed record on the Appalachian Trail by hiking 47 miles a day for 46 straight days.
