The Monthly Newsletter of  
St. Andrew's Episcopal Church  
Burke, Virginia

RECTOR  
THE REV. WILL PACKARD  
[will@standrews.net](mailto:will@standrews.net)

Dear Friends in Christ,

[The 81st General Convention of the Episcopal Church](#), which is held every three years, will take place in Louisville, Kentucky,

June 23-28, 2024. Our own Diocese gathers each year at our Annual Convention and we elect individuals, clergy and lay, to serve as our delegates. This is an opportunity for the larger Episcopal Church in the United States of America (ECUSA), part of the World Wide Anglican Communion, to gather together for worship and the business of the church.

The highlight of this year's convention will be the election of a new Presiding Bishop to replace Bishop Curry whose term is ending. While our hierarchy is structured differently than the Roman Catholic Church (this is not a Pope or Cardinal), we do look to this leader of our denomination in the United States, and they will assume certain legal and canonical responsibilities. We have seen how the leadership of Presiding Bishop Curry has impacted our call to follow Jesus locally and nationally. So, who will be elected!?

The intentional search process led by the Episcopal Church's Joint Nominating Committee for the Election of the Presiding Bishop (JNCPB) yielded four names and a fifth name was nominated by petition. The Rt. Rev. J. Scott Baker, Bishop of Nebraska; the Rt. Rev. Robert Wright, Bishop of Atlanta; the Rt. Rev. Sean Rowe, Bishop of the Dioceses of Northwestern Pennsylvania and Western New York; and the Rt. Rev. Daniel G.P. Gutierrez, Bishop of the Diocese of Pennsylvania were nominated by the committee. The Rt. Rev. Dede Duncan-Probe, Bishop from the Diocese of Central New York was nominated by petition. Yes, you know that name because she was

the Rector of St. Peter's in the Woods, Fairfax Station! [You may read more about these candidates in the most recent press release.](#)

Our minds might be towards the other election coming this November, however, we pray especially for this process, election, and convention in just a couple of weeks. We gather in covenant community and experience a deeper presence of Christ and are sent out to do the work Jesus has given us to do. So too at this convention do Episcopalians gather from around the nation for fellowship, worship, and business, around our common covenant.

While no gatherings of humans are infallible, we all gather in the name of Jesus to know Christ and make Christ known. In attending past conventions, it is a marvel to witness the faithful from all corners of our nation and representatives from around the world. The Spirit's presence is palpable and, along with some anxieties, the excitement is felt. When have you felt that energy of the Spirit's presence? There is something about gathering in the name of Christ! As we keep the Convention in Prayer, may we all gather in the name of Christ this week.

Faithfully yours,

*Will*

SENIOR WARDEN  
**BRIAN CHATMAN**  
srwarden@standrews.net

Congratulations! You made it through Maycember! If you have kids or know people with kids, you know what a crazy time of year this is. School is wrapping up. Spring sports are coming to a close. With that, we bid farewell to our Director of Family Ministry, Ms. Amy Tibbetts. Thank you to everyone who was able to come together in fellowship to celebrate her. We couldn't have done it without the many volunteers and treats! St. Andrew's always does fellowship well!

As we consider the gap Amy leaves, we know it will take time and effort to fill her shoes. Who will provide a warm welcome to new parishioners and families now that she is gone? Who will keep the busy boxes and popsicles on the playground going? If you have been looking for a way to get involved in St. Andrew's and haven't found it yet, these are easy gaps we need your help to fill!

Summer is here! From a Vestry perspective, we held our biannual commission open house where we advertised some of the great ways to get involved across the church. If you weren't able to make it, don't forget to grab a calendar outside of the office with all the dates of upcoming events at St. Andrew's and we'll hold another one this fall. If you'd like to get more information, I'd encourage you to reach out to the following Vestry commissions. More information about our Vestry commissions

can be found here: <https://www.standrews.net/about-us/vestry>.

Our discernment team continues it's hard work with Ministry Architects to find the right Assistant Rector, who will assist Will in pastoral care and who will have a heavy emphasis on our youth program.

While this summer has been a time of transition, the amazing work of St. Andrew's carries on. Our Team Believe did an outstanding job raising funds for the American Cancer Society at the Relay for Life. Our campus cleanup brought together parishioners and local scout groups to do a summer clean across our church. In preparation for Workcamp, our youth came together to wash cars and raise money to help offset the cost of their trip. Finally, we marked the descent of the Holy Spirit upon the Apostles and other followers of Jesus Christ at Pentecost with our dove and streamers with the help of your youngest parishioners.

Looking ahead, this month we will celebrate our graduates, acolytes, and Sunday School teachers. We will gather for our annual parish picnic, and we will host a Wine & Cheese to welcome our newest parishioners. You can find dates for all of these awesome events and more on the parish calendars outside the front office! I look forward to seeing each of you at the upcoming Parish Picnic and hope you have a great summer!

## The Spiritual Importance of Stewardship

Anne Brannam & Paul Foley | [stewardship@standrews.net](mailto:stewardship@standrews.net)

Stewardship is making choices as faithful disciples caring for and managing what God has given us and considering how our choices affect others and ourselves. It is an expression of gratitude to God. Christian Stewardship is a lifestyle that acknowledges accountability to God and begins when we say we believe in God to whom we give love, loyalty, and trust and fulfill the terms of our Baptismal Covenant. It leads us to share our time, talent, and treasure so that the Good News of Jesus Christ may be shared with others.

Christian Stewards are motivated by God's

abundant love and respond to that love by participating in the worship and ministries of the church, which makes God's grace and love known to others. We are a part of welcoming those we do not know and applying this year's Stewardship theme of "casting our net" by communicating what church programs and activities are available to them. Giving back to St. Andrew's from the blessings received by making a financial pledge, as a best judgment of what will be given in the coming year, provides the base for church sustainment planning.

This volunteer-led experience unites communities to celebrate cancer survivors, remember loved ones lost to cancer, and raise funds to improve the lives of people with cancer and their families through advocacy, research, and patient support to ensure everyone has an opportunity to prevent, detect, treat, and survive cancer. Team Believe was able to raise over \$15k for the American Cancer Society and cancer research.

## How Shrine Mont Has Helped Us Develop Deeper Relationships

Betsy Cotten | [shrinemont@standrews.net](mailto:shrinemont@standrews.net)

Written by Rebecca Umberger:

I have been attending St. Andrew’s since 1989 when Dave and I started dating. We immediately found a ministry we were both passionate about: FACETS. Dave had been attending with his family since 1978, and we were married at St. Andrew’s in 1990. As we started our family, we were not as active, although our children were baptized, attended our preschool, went to Vacation Bible School, Sunday School at least once a month, and joined youth group when we could find time in their busy schedules. During these early years, we developed some good relationships with other parents and many others in the church.

Dave’s parents, Paul and Chris Umberger, attended Shrine Mont each year and encouraged us to come. Our response was always, “It sounds like a lot of fun, but we are too busy with all the kids’ activities.” It wasn’t until both kids were off to college that Dave and I started to attend. Our reaction after attending the first time was, “Why didn’t we come sooner?”

For us, it wasn’t just the programs, getting out of town to spend a weekend in the mountains watching the leaves change, or going to the local wineries and fairs. The biggest impact Shrine Mont had on us was developing lifelong friendships with so many wonderful people. When you have meals, pray, sing, walk, socialize, and get to know people over a full weekend, you find out more about their lives, their children, their careers, what is important to them, and more. I love listening to people talk about their

faith journeys, their values, and what they are passionate about.

We have watched more young families coming over the past eight years. It is so heartwarming seeing them establish similar bonds with other families as Dave and I did. I personally love seeing the kids having so much fun, finding their voices, singing, dancing, hanging out with their friends and even working through hard situations like not winning games or getting their feelings hurt. There are so many people who surround them, pick them up, and make them feel better.

We have seen marriages go through challenges, have health issues arise, and family members pass away, along with everyday life challenges. I remember finding out that I had to lay off five people on my team the following Monday after Shrine Mont. Several people took time to mentor me and pray with me about the team members being laid off. You truly establish very strong meaningful bonds. Despite hardships, the community at Shrine Mont has always provided unwavering support and comfort to our St. Andrew’s community.

If you are looking to establish stronger bonds and true friendships with fellow parishioners, Shrine Mont is the place to do it. If you tried it 20 years ago and it wasn’t what you were looking for, I encourage you to try it again. If you have never been, please come join us.

## The Endowment

Pat Conrad | [endowment@standrews.net](mailto:endowment@standrews.net)

The Endowment Funds are an important part of St. Andrew’s financial picture. In future Monthly Nets, we will keep you informed about how the board functions and our investments. Giving to the Endowment Fund is not a substitute for or in place of pledging. Endowments are usually from extraordinary funds (bequests, or unexpected resources) for exceptional reasons (in honor of or memory of someone or in thanksgiving).

### Workcamp Care Cards

Stacey Peters | [workcamp@standrews.net](mailto:workcamp@standrews.net)

---

Since 1999, the St. Andrew's parish has sponsored a week-long community service trip for the teens of our parish. The Group Mission Camp provides an opportunity for teens to learn about serving God by serving families in need through home repair projects in communities nationwide. This summer, seven teens and two adults are heading to Frederick, MD from June 16th through 22nd.

You can show your support for this youth outreach program by making Care Cards for all the campers! Care Cards are little notes/treats the campers receive each night. They can be notes of encouragement, appreciation, riddles, and/or punny "dad jokes". These notes mean a lot to the teens (and adults), and sometimes they can help turn a hard, stressful week into a wonderful memory.

Completed Care Cards can be dropped off in the "Care Cards" box on the brick ledge across from the church office. All notes must be dropped off by the morning of Thursday, June 13th.

The 2024 Workcampers are:
